If the live-stream is interrupted or not available due to technical difficulties, video-on-demand replay will be available after the match is completed.

The complete league schedule can be easily followed on TM2Sign.com.

The schedule is setup such that 4 teams will play in a bracket on 2 courts. Each team will play back-to-back matches. For example:

1. 4 teams are scheduled to play on courts 1 & 2
2. Teams A & C play on court 1, teams B & D play on court 2
3. Teams A & D play on court 1, teams B & C play on court 2
4. There is a 20 min break and then Teams A & B play on court 1 and Teams C & D play on court 2

If your daughter's team moves to a new court, simply go select the next court and continue watching.
