

Wednesday January 2
Day 8 & 9 –Innsbruck
By: Emma Torstenson & Ella Thompson
Northern Lights 16-1

Hey!!

Yesterday we got up and ate some breakfast that wasn't meat, cheese, and bread YAY!! After breakfast we went and got ready in our rooms and then walked from the hotel to the school where the tournament is being held, quite a hike may we add. On our walk we got to see the beautiful mountains that appeared in every direction we looked, also very cute dogs.

After we got to the gym we played a match against a team from Germany and won 2-0. Then some of us went to a local grocery store to buy some yummy snacks. After our break we played another match against a German team and won 2-0. We then had dinner at the school and then walked back to the hotel in a lot of snow.

This morning was similar to yesterdays. We got up, ate, and then got ready to walk to the school. Once we got to the school, we played two matches and won both in two sets. In our first match, the team we played only scored 8 points on us in total. Tomorrow both the 1's and 2's teams are playing in the semifinals and we could possibly meet each other in the championship for the tournament.

Tonight we are going to a party at the school with all of the other teams from the tournament. Then we'll probably get back to the hotel and get some sleep so that we can play well tomorrow!!

See you all soon,
Emma Torstenson and Ella Thompson
